Forecast For Wales
Issued by Met Office Exeter
at 0400 on Sunday 02 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunshine and scattered showers. Wet and windy on Monday.

Today:
A cold and bright start, then patchy cloud, scattered showers and sunny spells develop through the day. The showers may become heavy at times and possibly contain hail. Feeling pleasant in the sun, though temperatures dipping sharply in showers. Maximum temperature 14 deg C (57 deg F).

Tonight:
Showers ease this evening, leaving clear spells for a time. A few showers may return during the early hours as cloud moves in from the west. Frost less likely. Minimum temperature 2 deg C (36 deg F).

Monday:
Heavy rain and strong winds arrive from the west in the morning. Gales likely around the coast and at exposed locations inland. Feeling cold and turning showery overnight. Maximum temperature 12 deg C (54 deg F).

Outlook for Tuesday to Thursday:
Remaining windy on Tuesday, with frequent showers. Sunshine and fewer showers through Wednesday and Thursday, with lighter winds. Cold throughout, with overnight frosts and showers falling as snow over hills.
